# 5 YEAR CHEDDAR

Five years of careful aging brings our classic cheddar those unique qualities aficionados seek out. Its texture is firm and crumbly.

# **CHEDDAR CHEESE WITH DOOR COUNTY CHERRRIES**

A marriage between two Door County favorites – Renard’s Cheddar Cheese and Door County cherries. A cheese that is bursting with sweet cherry flavor and a buttery tartness of cheddar.

# CLOVERLEAF RESERVE

A delectably tantalizing blend of Renard's Award-Winning Bandaged Style White Cheddar with Alpine Style Gruyere. Aged to a perfection, inviting a sharp savory flavor that follows with delicate caramel nutty notes.

# HERITAGE BLEND

Renard's Cheddar blended with parmesan, brings together sharp and tangy flavors with intricate tastes of roasted almonds and brown butter.

# LEGACY BLEND

A blend of Renard's White Cheddar and Gouda is well complimented. The flavor begins with the sharpness of cheddar and finishes off with sweet and creamy notes.

# **GHOST CHILI PEPPER MONTEREY JACK**

A spicy fruity, sweet chili flavor intensifies on your palate without losing the smooth buttery flavor of our Monterey Jack. Slices and grates well.

## **OUR PARTNERSHIP VISION**

To building mutually beneficial  
relationship with loyalty.
